RE: COVID-19 Federal Funding-Provider Relief Fund Payment Portal

Dear Provider Partner:

Please be advised that **today, June 10, 2020**, the U.S. Department of Health and Human Services (HHS) is launching a Medicaid and CHIP Targeted Distribution Provider Relief Fund Payment Portal that will allow eligible Medicaid and CHIP providers to submit their annual patient revenue information to the Portal to receive a distribution equal to at least 2% of their annual revenue. This funding will supply relief to Medicaid providers experiencing lost revenues or increased expenses due to COVID-19.

To be eligible for this funding, providers must:

- Have not received payments from the \$50 billion Provider Relief Fund General Distribution; and
- Have directly billed their state Medicaid programs, or Medicaid managed care plans for “healthcare-related services” between January 2018 to May 31, 2020.

More information about eligibility and the application process is available at <https://www.hhs.gov/coronavirus/cares-act-provider-relief-fund/general-information/index.html>

We sincerely appreciate your participation and value both our relationship and mutual goal to provide our members and your patients with the highest quality oral health care.

Sincerely,
Professional Relations Department
